September 28,
2024
4PM-6PM
Dinner
included!**

**Willapa
Chamber
Community
Center, 916 W.
First St. South
Bend, WA**

In the United States, all people, regardless of citizenship, have fundamental rights when a police officer or immigration agent wants to engage in a conversation. These rights are protected and guaranteed by the Constitution.

KNOW YOUR RIGHTS! provides immigrants with essential tools and training to navigate the immigration system. Topics cover actions to take when Immigration and Customs Enforcement (ICE) arrives. Knowing your rights is crucial to protecting yourself, your family, and others.

Training presented by Israel Gutierrez
